ENVIRO STRIP

CITRUS BASED SEALER
AND PAINT REMOVER

DESCRIPTION

EnviroStrip™ is a non-flammable, water-based stripper for clear and/or pigmented acrylic sealers. It is also designed to help remove deeply embedded greasy soil on concrete floors and surfaces. It has a pleasant fresh citrus smell and performs effective stripping without the use of flammable solvents and harsh chemicals.

BENEFITS

- Softens Acrylics in 20-30 Minutes
- Water Based
- Non-Flammable
- No Neutralizing Needed

APPLICATION

Acrylic Sealer Removal

EnviroStrip™ may be sprayed from a pump-up sprayer, brushed, or poured on and squeegeed evenly across the surface to be treated. Apply at the rate of approximately 1-gallon to 150 sq. ft. Allow Enviro-Strip™ to stand for a minimum of 20 minutes and rinse thoroughly with water.

Heavy sealer removal may require heavier application rates and/or agitation with nylon bristle broom or power scrubber. Test in a small area before applying Enviro-Strip across the complete area.

NOTE:

- EnviroStrip™ is most effective when evaporation is managed. For best results, cover treated area with plastic sheeting to help minimize evaporation.
- Once acrylic softens scrap or pressure wash residue into a collection area. Collect residue and follow below listed disposal.

Grease Residue Removal

EnviroStrip™ may be sprayed from a pump-up sprayer, brushed, or poured on and squeegeed evenly across the surface to be treated. After applying, agitate the surface with a colorfast nylon bristle broom. For interior work utilize either wet vacuum or mop until the rinse water is clear and clean. To remove stubborn stains, you may need to apply twice and scrub with a broom or brush.

NOTE:

- EnviroStrip™ is most effective when evaporation is managed. For best results, cover treated area with plastic sheeting to help minimize evaporation.

CLEAN-UP

Before EnviroStrip™ dries; spills and tools can be cleaned up with water.

DISPOSAL

Contact your local government household hazardous waste coordinator for information on disposal of unused product.

LIMITATIONS

- For use by trained professionals that have read the complete SDS.
- EnviroStrip™ should be stored at room temperature.
- EnviroStrip™ should be kept closed when not in use.
